

FOR IMMEDIATE RELEASE

## DAY offers special on-airport long-term parking rate

*Release Date: Wednesday, November 15, 2017*

*Contact: Linda Hughes, Marketing Manager, 937-454-8200*

---

Dayton International Airport (DAY) is offering a discounted rate of \$10 per day for on-airport long term parking through January 31, 2018, a savings of \$4 per day.

DAYperks and DAYperks Corporate members automatically receive the discount with their DAYperks parking loyalty card. Those not enrolled in DAYperks can access the required coupon after completing a brief survey at [flydayton.com/airport-parking-specials](http://flydayton.com/airport-parking-specials).

A two-day minimum stay applies, with a charge of \$2 per hour for the first five hours. The coupon must be presented to cashier upon exiting the lot.

The on-airport long term lot is located directly adjacent to the parking garage, and passengers can either walk through the covered walkway in the garage to the airport main entrance or ride on the free DAYrider shuttle.

"Offering this special discount is another way to show passengers and guests that parking on-airport is the best option," said Terry Slaybaugh, Dayton International Airport director. "Once they experience how easy it is, they'll continue to think of us first every time they travel."

For more information about the DAYperks parking loyalty program, visit [flydayton.com/dayperks](http://flydayton.com/dayperks).
